REBUL Academy 2009-2010 Basketball Teams

Heather Gray Recognized at Final Home Basketball Game

Thursday night, January 28, 2010, was the last home basketball game of the season. REBUL Academy recognized our only senior basketball player, Heather Gray.

Heather is the daughter of Brent and Connie Allen of Raymond. He has attended REBUL Academy for eight years.

She received the Raider Award for softball, was the best offensive player for basketball, and the most valuable in track in 2006.

Heather is a member of the Fellowship of Christian Athletes, the American Paint Horse Association, and the American Quarter Horse Association.

Her future plans include college where she plans to major in sports medicine.

Heather is a great asset to REBUL and will be missed when she graduates. The Academy wishes her the best for the remainder of her senior year and beyond.

Students are getting ready for the basketball tournaments by making signs. There is a lot of excitement building up for these games.

REBULAcademy Basketball 2009-2010

By Cody Gray

We started off this season expecting to have a lot of fun and play with confidence; we were hoping for a good record, too. As a couple of weeks went by everyone's hopes and attitudes went down because we hadn't won a game.

We then started hanging with teams that we were getting beat by 20 points at the beginning of the season. We started playing as a team and started running plays. Our score began getting really close.

We finally got our first win against Russell last week. At the end of the game we could just see that everyone was happy that we came together as a team and got our first win.

Since then you can see that all the players are having fun playing this sport.

Our National Anthem was sung as a duet by Heather Gray (12th grade), and her older sister, Lydia (a graduate of REBUL Academy). The Academy greatly appreciates their contribution to the game between the Raiders and University Christian School on Tuesday, January 26, 2010.

Patience is a quality you admire in the driver behind you and scorn in the one ahead.

“The end of the matter is better than its beginning, and patience is better than pride. Do not be quickly provoked in your spirit, for anger resides in the lap of fools.” - Ecclesiastes 7:8, 9

Thanks Mr. Gene Coward

Mr. Coward has been a part of the Academy through three children and a number of grandchildren.

He has been announcing the basketball games for some time, and can be seen around campus helping where there is a need.

Thanks Mr. Gene for your loyalty.
