Raiders at Russell Academy, Meridian

The playground is a great place for the elementary students to release stress. At REBUL one may see the high school students playing the games with the younger students. These elementary students learn early how to create games with what they have available.

A Deer for All Seasons

by John Gray, 11th grade

John Gray went to the woods to study Hawthorne and found himself a deer.

He told his teacher that he was reading when he looked up and there was this deer looking over his shoulder at what he was reading.

The deer said to him, "John, tell me about the scarlet letter." The next think that Deer knew was that he was in the back of a pickup truck next to REBUL Academy's gym.

John probably will tell a different story. This is his account.

"Wednesday morning my dad came in my room saying that there was a nice buck in the pasture. I jumped out of bed and saw where he was and I couldn't let him go. I grabbed some camouflage clothing and my rifle.

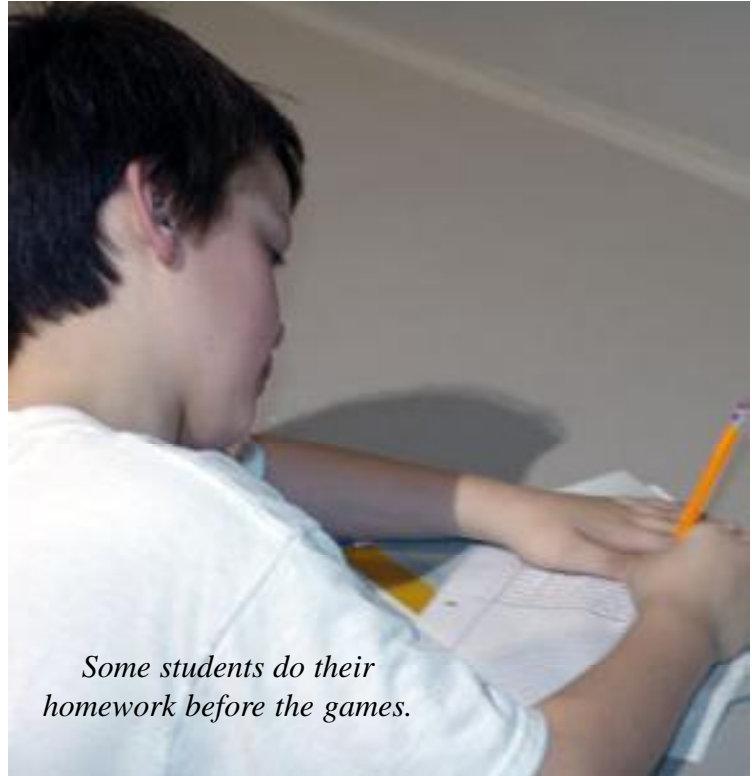

"I went around the front of the house so the deer wouldn't see me. As I got to the bottom of the hill, my dogs came around

the house barking. I thought the deer had gone, but I looked and he just lay down. I got on my stomach and crawled up the hill about 50 yards from the deer. I stayed on my stomach for about an hour waiting for him to get up. When he finally did get up, I realized that he was much larger than I first thought. He was a nine pointer with a 16 ½ inch spread, a 24-inch main beam, his G2's were 4 ½ inches.

"He looked at me and then walked into an opening. This was the first big buck I have ever gotten, and it was the last day of the rifle season."

Athletics Play an Important Role at REBUL Academy

“Roast Moose Night” a Success

REBUL Academy honored Coach William “Moose” Perry with a roast Saturday, January 16. Over one hundred people came to show their affection for a man who has touched many, many lives during his coaching and teaching career. There was lots of laughter and great food. Thanks to everyone who made this event for “Moose” a great success!

Coach Perry meets regularly with his baseball players for classroom instruction.

REBUL Will Host District Basketball Tournament

by Mrs. Daniels

REBUL Academy will be the host for the District Basketball Tournament and the South State Basketball Tournament. These events will take place between February 1 and February 13. The exact schedule is pending and will be announced later.

Mrs. Martha Daniels needs supplies such as plates, napkins, canned drinks, and bottled water. She has indicated that they will need enough of these items for two weeks of games.

The committee is also requesting people to sign up for a food dish and a desert. Please remember that the Academy will need enough food for the entire two-weeks of games. Mrs. Daniels can be reached either through the school’s office at 601-885-6802, or at home at 601-624-6511.

Personnel are needed, also, for the two weeks. This is a great time to come and show support to our boys and girls who have worked hard for us all year.

Orders for T-shirts for these District and South State games will be available. Order forms will be given to students later.

Your companions are like the buttons on an elevator. They will either take you up or they will take you down.
