## Baseball Has Arrived!

by Taylor Neely (12th grade)

Baseball season is here again. The season began, however, with two rain-out. That hasn't dampened the team's spirits though. Everyone is ready and anxious for the first game.

The team is looking good with just a few practices; improvement is evident. The infield is steady while the outfield is improving greatly.

The strong points for the team is the pitching staff. The team has a few young pitchers who can backup the older, stronger arms.

The key part of a good ball team is its offense which happens to be another REBUL Academy strong point.

The team seems to be ready to "go to war" with the other teams they will be playing this year.

REBUL's first game was against Newton Academy on Thursday, March 4, 2010.

# Track Season Is Here

by Lizzie Daniels (9th grade)

This year REBULAcademy has a strong track team. The Academy has both a junior varsity and a varsity team for the girls, and enough boys going out to have running event participants.

The boys and girls hope to see more people at the state track meet as well as at the other track events.

The mighty oak was once  
a little nut that stood its  
ground.

“A man shall not be established  
by wickedness: but the root of the righteous  
shall not be moved. – Proverbs 12:3

## New Students from Neiva, Columbia

**Diana and Nicolas Lohrstorfer** were born in Neiva, Colombia. Neiva is located along a major river called the Magdalena in the southern region of Colombia and sits in the foothills of the Andes Mountains. The temperature is hot all year long (85-105) and the hilly parts of the region are perfect for growing coffee.

Diana and Nicolas became United States citizens on January 30, 2010 and are excited about living here. Their favorite things are riding their bikes, jumping on the trampoline, their dog

Gal, going to Church at Hinds Church (where their Dad is the pastor) and going to school at REBUL.

## First Grade Reads Dr. Seuss
